Tripod, Stuntman

Being on television Is a dream come true

== Fegh Maha Version ==
I love to be the centre of attention
Wouldn't you?
== Middleborough Rd Version ==
I get to play dress-ups all day long
Doo-doo-doo-ooo-ooo

I got to be a superhero I got to be a singer in a band But it's not quite perfect Living in TV land

'Cause my stuntman... (Stuntman...) (Stuntman...) ...is a woman

Out of the entire Stunt community A woman was The one who had the closest Body shape to me

When all the action starts
I just sit and stew
'Cause they get a girl to do the things
That I'm too wussy to do

'Cause my stuntman... (Stuntman...) (Stuntman...) ...is a woman

== Fegh Maha Version == Did I mention that my stuntman... == Middleborough Rd Version == Yeah, my stuntman...

(Stuntman...)
 (Stuntman...)
...is a woman

The stunts they get her to do Aren't even that stunt-y If he needs a stuntman to stand on a box It's a bit affront-y

There was this one scene Where I get hit by a truck But they didn't even use her

They used a dummy...

...of a woman

This situation
Was not part of my plans
She soaks up all the glory
While I'm sitting alone in the van

'Cause it takes a woman...

(Woman...)
 (Woman...)
To make me look like a...
...man!
