

# Tripod, X-Box Song

Doo-Doo Doo-Doo  
Doo-doo-doo-doo  
Doo-Doo Doo-Doo  
Doo-doo-doo-doo

Baby, gonna make you happy tonight  
(Gonna make you, happy tonight)  
Oh, sugar  
Give my love to you, oh, baby,  
Gonna make you feel so right  
(Gonna make you, make you happy)  
Oooh, sugar  
Special time with you, do the things you want me to  
Gonna make love  
(Gonna make some sweet sweet love, sugar)  
So get ready  
Oh, get ready, get ready  
Ready for lovin' tonight

Before we get down to love  
(Before we get down)  
I just gotta finish this level

== Live Events Version ==  
You see I've got a high...score tonight  
== Middleborough Rd Version ==  
I've got a high...score tonight

And I just wanna save my game

Well I'll be with you in a minute sweet darling baby honey  
I love how you dance for me  
Could you move a little to the left, baby?  
I can't see the TV

Baby, I can't wait 'till we start  
It's just that the save points are quite far apart...in this game, baby

== Live Events Version ==  
This bit's got a multiplayer section, honey  
Maybe you can operate a turret with me  
Would you like that, baby?  
== Middleborough Rd Version ==  
This bit's got a multiplayer section, baby  
Maybe you can operate a turret with me  
Would that be romantic, baby?

Games give you hand-eye coordination  
And spatial intelligence together with map-reading skills  
Ohhh, sugar

(Turn the lights down low)  
Turn the lights down just a little bit lower, baby  
(Turn the lights down low)  
Turn the lights down low  
(Turn the lights down low)  
It's just that it helps me feel like I'm in a spaceship  
And we can make some  
(Sweet sweet love, honey)  
Sugar  
(Baby)

Oooh, you lookin' so great to me...Baby  
Have you brushed your teeth yet?

Take your time, no hurry  
It's just that I'm not tired  
Are you tired?  
I'll see you in the bed then  
You might want to take a book

Baby,  
Ooo-ooo-ooo-oooh, you so fine, baby  
You know, I can't stop thinking about you, baby  
And all of the magic coins that I need to collect

== Live Events Version ==

See, I just gotta find one more point of armour class,  
And then I can take on the robots of Zirgon B,  
And then we can make love...

== Middleborough Rd Version ==

before I can come to bed, baby  
It's just if I can find enough secret areas  
then I can get the bonus points and we can make love...  
Yeah!

I think this X-Box...  
Is the best present I've ever bought for you...  
Baby...
