

# Trisha Yearwood, I Wanna Go Too Far

Everything in moderation, that's the way it's always been  
Never gettin' out of control - never hanging it out  
Always reelin' it in  
I saved my money for a rainy day  
But now I've had enough of playin' it safe  
I wanna go too far, I wanna go too fast  
Somebody draw the line so I can blow right past  
I wanna spend too much, I wanna stay too late  
I'm gonna roar too loud, I'm gonna be that way  
I wanna play too hard, I wanna go too far

I'm the one they all depend on  
Sensible, predictable, and strong  
But every now and then,  
I feel like I've played that role too long  
I need to rock the boat, I need to speak my mind  
Just this once let it all unwind  
I've gotta set this spirit free  
That's hiding here inside  
I feel like a bird in a cage  
It's time for me to fly
