

# Trisha Yearwood, Love Me Or Leave Me

(Karyn Rochelle/Shayne Smith)

I think you do, then I think you don't  
Maybe you will, maybe then you won't  
Don't understand, baby why you can't  
Just call it quits if you can't commit  
I know what I want, I know how I feel  
But I don't want your love if it ain't real, no  
I think it's time you made up your mind  
Baby, what's your plan, I need to understand it (are you).

Gonna love me or leave me  
Don't say that you need me  
Not if you really want to let me go  
You don't know how much it hurts me  
Show me some mercy  
Baby just love me or leave me alone

You needed time so I gave you that  
To figure out where your heart is at  
What do you say, do you go or stay  
Is it no or yes, I shouldn't have to guess if (you're)

Gonna love me or leave me  
Don't say that you need me  
Not if you really want to let me go  
You don't know how much it hurts me  
Show me some mercy  
Baby just love me or leave me alone

You're gonna love me or leave me  
Don't say that you need me  
Not if you really want to let me go  
You don't know how much it hurts me  
Show me some mercy  
Baby just love me or leave me alone
