

# Triumph The Insult Comic Dog, Underage Bichon

She walked into the dog run  
Like she fucking owned the place  
She turned to me with a scent that said  
"Sit boy, on my face!"  
Now I like a little discipline  
As much as the next Shar Pei  
But this bitch was only ten months old  
And now I have to pay!

Underage Bichon  
She told me she was one  
Underage Bichon  
I schtupped her, now I'm done  
Underage Bichon  
They say I did a crime  
Underage Bichon  
Might as well bang you one more time

Eight perky boobies  
I knew that she was young  
But I figured she was legal  
From the way she used her tongue  
She said I was hung like a Great Dane  
And it sounded like an old line  
She's smooth as a newborn chihuahua  
But she licks ass like she's nine!

Underage Bichon (underage Bichon)  
My little puppy treat  
Underage Bichon (underage Bichon)  
She clearly was in heat  
Underage Bichon (underage Bichon)  
They're putting me away  
Underage Bichon (underage Bichon)  
Might as well bang you anyway

Please, your Honor!  
She was very cool when I came on her back  
Didn't know who Lassie was, but cut her slack  
Figure she's an airhead from an inbred pack  
And try to take your eyes off her enormous rack!

Well, I was looking at a Monday court date  
With no chance to be cleared  
So I picked up a Bearded Collie hooker  
And made a bee-line for her beard

She was a furry motherfucker  
And I couldn't find her pie  
So I pulled and I tugged to get under her rug  
Yes, I burrowed all around and I finally found...

...

A Bearded Collie hooker guy!

Underage Bichon (underage Bichon)  
I banged her, now I'm screwed  
Underage Bichon (underage Bichon)  
Took photos of her nude  
Underage Bichon (underage Bichon)  
They're throwing me in jail  
Underage Bichon (underage, underage, underage)  
Might as well get one last piece of tail!

(Underage!)
