

# Trivium, Drowned And Torn Asunder

Force-feed them your ways  
Dictate up a blinded swarm  
Society's afraid

Declaration of rebellion  
We will not stand defeat  
Deconstructing their hold  
Our vengeance will be tenfold

[Chorus]  
Our enemy will be drowned  
The opposing torn asunder

Take all your lives back  
Arson all they create  
The time is now to lead the battle

Declaration of rebellion  
We will not stand defeat  
Deconstructing their hold  
Our vengeance will be tenfold

[Chorus]  
Deconstructing their hold  
Our vengeance will be tenfold

[Chorus x2]
