

# Trophy Scars, Hosting A Murder

Baby

Are you sleeping?

Are you dreaming?

I think you're running

Darling

I'll keep you running

I'll keep on dreaming

I'll send you a check In the mail

Baby

I think you're dreaming

You must be crazy

You must be dreaming

&quot;Baby,

I'll send you a check in the mail,&quot;

Darling.

Do you like knives?

I think you're running

I'll send you the check in the mail

I bet you'll run

Hey baby,

Hey baby,

Hey baby,

Are you dreaming of dreaming

I'm running

You must be running

Don't shoot

Don't shoot

Don't pull that trigger (don't shoot)

Cause I'm right in front of your face

I'm dreaming

I don't want to like knives

I'll be running

I must be dreaming

Oh my God, oh my God

Please be dreaming.
