

# Trupa Trupa, Snow

let it snow  
oh I will disappear  
I will just disappear  
I've got nothing  
I've got nothing  
nothing to hide  
oh I've got nothing  
nothing to hide

\*

rise and fall  
oh I will disappear  
I will just disappear  
I've got nothing  
I've got nothing  
nothing to hide  
oh I've got nothing  
nothing to hide
