

# Tryad, Beauty

Ba-dum  
Rise and swallowed you whole  
Ba-dum  
And I was no longer whole  
Ba-dum  
As singer [?]  
Ba-dum  
And we slowed down [?]  
Ba-dum  
You smiled somewhere  
Ba-dum  
And our lives changed  
Ba-dum  
I found I could share  
Ba-dum  
The things I never could say

Some day  
You will find me  
Ba-dum  
And I'll follow you  
Unless  
Together we'll be  
Ba-dum  
We'll ride across the blue  
Don't run  
I would run anyway  
Ba-dum  
For this love of hours  
At peace  
Shining silver rain  
Ba-dum  
I'll join you in the songs

Ba-dum  
I will find you  
Ba-dum  
I will find you  
Ba-dum  
Don't [?] share  
Ba-dum  
Met your [?]  
Ba-dum  
I will find you  
Ba-dum  
I will follow
