Tub Ring, Rob And Kevin - Ugly In The Morning

You did one thing wrong
You woke up
You look better before
More, more

And the stomach turns
Say nothing without wasting a work
I know exactly what you meant

I know how piggy feels
He starves without missing a meal
Look in the mirror

Don't look at me
I'm ugly in the morning

Don't look at me
I'm ugly in the morning

Don't look at me
I'm ugly in the morning

Don't look at me
I'm ugly in the morning

When the headache's gone
The sun's not
Forgot to turn the alarm
On, on

Doesn't matter how much you think
Or the number of hairs in the sink
I did it to myself again

I know how piggy feels
He starves without missing a meal
Look in the mirror

Don't look at me
I'm ugly in the morning (x28)
