Tubes, Piece By Piece

(Snow/Tubes/Rundgren)

She looks good But she's not altogether right All her parts are not screwed on tight There's a touch of tragedy

When she moves you can see the secret showing through She'd deny it if she thought I knew But she could never lie to me

Anyone would think there's nothing wrong, she looks so satisfied But I've known about her much too long She can't conceal what she feels inside

I'm gonna show her that piece by piece, inch by inch I can put her back together again I'll supply the love she lacks And give her back exactly what she needs Bringin' it piece by piece

All I need to find a way around her defense is just a little common sense I don't have a strategy

I'll be there like I have so many other times She'll reveal to me a certain sign That only I can see

Anyone would think there's nothing wrong, she seems like she's complete But it's obvious it's been too long since she believed what she needs is me

I'm gonna show her that piece by piece, inch by inch I can put her back together again I'll supply the love she lacks and give her back exactly what she needs Bringin' it piece by piece

Anyone would think there's nothing wrong, but she's not fooling me Everybody wants to lead her on, but I believe what she needs is me--what she needs me

I'm gonna show her that piece by piece, inch by inch I can put her back together again I'll supply the love she lacks and give her back exactly what she needs Bringin' it piece by piece
