

# Tujamo, Down

I know that I'm not always good at letting go  
I'd rather do it your way, it's hard for me  
I know that I don't laugh at all the jokes you make  
But I swear that I just need you to keep holdin' on  
Maybe it's not easy to love me  
But maybe if you leave me, I'll be  
Holdin' onto memories, the lives we never had  
Look at me, I'm lost in my mind again  
Woo-ooh-ooh-ooh, you-ooh-ooh-ooh  
Even love me when I'm feeling low  
Woo-ooh-ooh-ooh, you-ooh-ooh-ooh  
See the worst in me and don't let go  
You're always beside me, right there to guide me  
When I'm down, down, down, down, down  
Woo-ooh-ooh-ooh, you-ooh-ooh-ooh  
When I'm down, down, down, down, down  
When I'm down, down, down, down, down  
When I'm down, down, down, down, down  
When I'm down, down, down, down, down  
When I'm down, down, down, down, down  
Don't know why you stayin' low, but I'm so glad you do  
I promise I will change, all the clouds will fade away  
And maybe it's not easy to love me  
But baby, if you need me, I'll be  
Holdin' onto thoughts, all the life that we could have  
Look at me, I'm lost in my mind again  
Woo-ooh-ooh-ooh, you-ooh-ooh-ooh  
Even love me when I'm feeling low  
Woo-ooh-ooh-ooh, you-ooh-ooh-ooh  
See the worst in me and don't let go  
You're always beside me, right there to guide me  
When I'm down, down, down, down, down  
Woo-ooh-ooh-ooh, you-ooh-ooh-ooh  
When I'm down, down, down, down, down  
When I'm down, down, down, down, down  
When I'm down, down, down, down, down  
When I'm down, down, down, down, down  
When I'm down, down, down, down, down  
When I'm down, down, down, down, down
