How the hell you think I get to ride a B-12?

The phone and TV ended with a green smell

I went from Oakland to Atlanta with my top down

\$hort Dog, my shit is nation wide now

You can ask Breed or Pac it don't stop

I ain't bull shittin make a mill when I rock

Three players in the game and it's a major

Bitch you wanna get me better hit me on my pager

Today I'm on the westcoast

Tommorrow I'm in Texas

Flip the Benz and Farri, sold the Lexus

\$horty drop the bass in the mix

You know what's next beitch

I'm sure to get rich

Chorus:

This is for the hustlaaaaas, come on

This is for the hustlaaaaas, ohh

This is for the hustlaaaaas, come on

Ohh, come on, come on

2Pac:

Til my fuckin casuct drops

Fuck around and make me blast on these bastard cops

This is for the hustlaaaaas

Believe me coming stapped with the gak

When you see me

Label me a threat to society, but I ain't quitin

Thug life motherfucker ain't no bull shittin

Born in these projects destined to fate

Collecting mail on these broke bitches

Slanging that game

Now shit done changed

It ain't the the same

I ain't lyin niggas are dyin

Three strikes have you motherfuckers flyin

In the penatentary or in the cemetary

Gettin high no need to worry

Last year niggas knockin up the block and in between shots

Pumpin tapes from that nigga Breed and Pac

This year bringin you the fix

Including Ant Banks in the mix  
We're sure to get rich  
Still I ride.

Chorus:

This is for the hustlaaaaas, come on  
This is for the hustlaaaaas, ohh  
This is for the hustlaaaaas, come on  
This is for the hustlaaaaas, ohh  
Ohh, come on, come on

MC Breed:

I'm a cold-hearted fool  
I mean a fool at heart, head strong  
and I won't be headed home if he falls apart  
Conatact niggas like a part time  
When I ride the beat  
Ain't no way to hide from the darkside  
Man of many mens till the very end  
and blend in and change my iden  
Just to mix up with the game  
They know me by the Breed and they don't know it's my last name  
It's mind over matter  
I don't mind, you don't matter  
Pull a glock and watch the whole block scatter  
and we can have us a gak to gak talk  
Do it old style and do a back to back walk  
Count to ten and say goodbye to your friends  
and we can put the bull shit to an end  
I figure if he plays around he lays around  
and he's a motherfucker ?????? calls a corner when I'm around  
Bodies are buried and found all around  
and parish and charish and thoughts just to be true  
Punk, fellas behave ya and it just might save ya  
So guard your girl and pickup your pistol  
cause you can't get wit Breed the weed head lyrical nit wit  
The shit won't change as long as I'm alive  
I gotta survive and keep it tight

Chorus:

This is for the hustlaaaaas, come on  
This is for the hustlaaaaas, ohh  
This is for the hustlaaaaas, come on  
This is for the hustlaaaaas, ohh  
Ohh, come on, come on
