

Tupac, Hail Mary

Intro: Makaveli

Makaveli in this... Killuminati, all through your body
The blow's like a twelve gauge shotty
Uhh, feel me!
And God said he should send his one begotten son
to lead the wild into the ways of the man
Follow me; eat my flesh, flesh and my flesh

Chorus: Makaveli

Come with me, Hail Mary
Run quick see, what do we have here
Now, do you wanna ride or die
La dadada, la la la la

Verse One: Makaveli

I ain't a killer but don't push me
Revenge is like the sweetest joy next to gettin pussy
Picture paragraphs unloaded, wise words bein quoted
Peeped the weakness in the rap game and sewed it
Bow down, pray to God hoping that he's listenin
Seein niggaz comin for me, to my diamonds, when they glistenin
Now pay attention, rest in peace father
I'm a ghost in these killin fields
Hail Mary catch me if I go, let's go deep inside
the solitary mind of a madman who screams in the dark
Evil lurks, enemies, see me flee
Activate my hate, let it break, to the flame
Set trip, empty out my clip, never stop to aim
Some say the game is all corrupted, fucked in this shit
Stuck, niggaz is lucky if we bust out this shit, plus
mama told me never stop until I bust a nut
Fuck the world if they can't adjust
It's just as well, Hail Mary

Chorus 2X

Verse Two: Makaveli

Penitentiaries is packed with promise makes
Never realize the precious time the bitch niggaz is wastin
Institutionalized I lived my life a product made to crumble
But too hardened for a smile, we're too crazy to be humble, we ballin
Catch me father please, cause I'm fallin, in the liquor store
That's the Hennessy I hear ya callin, can I get some more?
Hail til I reach Hell, I ain't scared
Mama checkin in my bedroom; I ain't there
I got a head with no screws in it, what can I do
One life to live but I got nuttin to lose, just me and you
on a one way trip to prison, sellin drugs
We all wrapped up in this livin, life as Thugs
To my homeboys in Clinton Max, doin they bid
Raise hell to this real shit, and feel this
When they turn out the lights, I'll be down in the dark
Thuggin eternal through my heart, now Hail Mary nigga

Chorus 2X

Verse Three: Castro, Young Noble

They got a APB, out on my Thug family
Since the Outlawz run these streets, like these scandalous freaks

Our enemies die now, walk around half dead
Head down, K blasted off Hennessey and Thai
Tryin it, mixed it, now I'm twisted blisted and high
Visions of me, Thug livin gettin me by
Forever live, and I multiply survived by Thugs
When I die they won't cry unless they comin with slugs

Peep the whole scene and whatever's goin on around me
Brain kinda cloudy, smoked out feelin rowdy
Ready to wet the party up, and whoever in that motherfucker
Nasty new street, slugger my heat seeks suckers
on the regular mashin in a black Ac Integ-ra
Cock back, sixty seconds til the draw that's when I'm dead in ya
Feet first, you got a nice gat but my heat's worse
From a Thug to preachin church, I gave you love now you eatin dirt
Needin work, and I ain't the nigga to put you on
Cause word is bond when I was broke I had to hustle til dawn
That's when sun came up, there's only one way up
hold ya head and stay up, to all my niggaz get ya pay and weight up

If it's on then it's on, we break beat-breaks
Outlawz on a paper chase, can you relate
to this shit I don't got, be the shit I gotta take
Dealin with fate, hoping God don't close the gate
If it's on then it's on, we break beat-breaks
Outlawz on a paper chase, can you relate
to this shit I don't got, be the shit I gotta take
Dealin with fate, hoping God don't close the gate

Chorus (repeats in background)

Outro: Prince Ital

We've been traveling on this wavy road
Long time til I be take off this load
But we ride, ride it like a bullet
Hail Mary, Hail Mary
We won't worry everyting will come real
Free like the bird in the tree
We won't worry everyting will come real
Yes we free like the bird in the tree
We runnin from the penitentiary
This is the time for we liberty
Hail Mary, Hail Mary

Chorus

(Makaveli)

Westside, Outlawz, Makaveli the Don, Solo, Killuminati, The 7 Days
