

# Turbo, Fright(ang.)

Time goes by  
The violent times we live in  
Warm ocean of your hands and me  
Balmy night  
Brimming with silence, people dream  
It would seem that nothing is happening, still?  
(Seems) like nothing,  
but something keeps me awake  
(Seems) like nothing,  
(but) still there is fright in my heart  
Your face soothes away my fears  
I'd like to fall asleep, but I can't  
Why can't I sleep when I want to?  
Do you know?  
Why does darkness keep soaking me up?  
Do you know?  
Your hand soothes me gently  
I'd like to fall asleep, but I can't  
Give me a cuddle,  
Touch my lips and let me stand up  
I hope I will try once more time  
Once more time
