

# Turbonegro, Fuck The World

No use for kneeling down  
when there's no tomorrow  
I feel it coming down like never ever before  
so let your tanks roll on  
when there's no tomorrow  
coming on so strong  
because baby, you know I need some more and more and more

That's what I say, that's and I just said it  
That's what I want, that's what I want, and I'm gonna get it  
I'm gonna get it, I'm gonna get it good

Hey now, hang on  
while I fuck the world  
gimme just a minute  
while I fuck the world

There's a power line  
and I want to taste it  
tonight I'm feeling fine  
because I heard that that denim's back in style  
I've been doing time, but I never waste it  
I'm going power blind  
so I can see for miles and miles and miles

That's what I say, that's and I just said it  
That's what I want, that's what I want, and I'm gonna get it  
I'm feeling good, I'm feeling great, ain't gonna hide it  
I'm gonna grab the globe, gonna grab the globe, I'm gonna ride it  
I've got razorblade lips  
I'm gonna kiss some wrists

So hey now, hang on  
while I fuck the world  
gimme just a minute  
while I fuck the world  
one more time  
Hey now, hang on  
while I fuck the world  
because tonight I'm feeling sexy  
gonna fuck the world  
Forever
