

Turbonegro, I Will Never Die

Let's Go -
Alright -

Hey punkettes look at me -
I master eternity -
Gonna make you scream out loud -
Get the f**k off of my cloud -

Alright -
I'm in complete control -
Now heads are gonna roll -
I see you turning bald -
I'll never grow old -

I'll never die -
(3x)

Come join me for a ride -
There's no use to make reply -
You can't kill what does not live -
I'll make you suffer by my will -

Alright -
I'm in complete control -
Now heads are gonna roll -
I see you turning bald -
I'll never grow old -

I'll never die -
(3x)

I'm a total mastermind -
Don't wanna hear you whine -
Brain of gold A heart of stone -
And your a pussy Long, long gone -

C'mon -
I'm in complete control -
Now heads are gonna roll -
I see you turning bald -
I'll never grow old -

I'll never die -
(6x)

Swallow broken glass -
TNT up my ass -
Steal a mobsters cash -
Smoke twenty tons of hash -
I'll never die -
