

Turbonegro, Pain In Der Arsch Pocket Full Of Cash

A cold sunday night -
No hope was left in sight -
I was broke -
Without hope -
He gave me the eye -
I said hi -

And now I'm gonna die -
Pain in der arsch -
Pain in der arsch -
Pain in der arsch -
Pocket full of cash -

I just wanted -
To live for today -
I wanted fun -
But I couldn't pay -
I met an old man -
I sold him a f**k -
Now I'm so sore -
I can hardly walk -

And now I'm gonna die -
Pain in der arsch -
Pain in der arsch -
Pain in der arsch -
Pocket full of cash -

Hey -
(5x) -

I took it up the arsch -
For a small -
Amount of cash -
Now I've stared -
Loosing weight -
And I don't feel too great -

And now I'm gonna die -
Pain in der arsch -
Pain in der arsch -
Pain in der arsch -
Pocket full of cash -

Pain in der arsch -
Pain in der arsch -
Pain in der arsch -
Pocket full of cash -
