

Turin Brakes, Forever

Ooooh (x2)
Inch by inch
I'm infected by your love
Head to toe
I'm chemically changed
Forever

Oh take me back
To your house again, my love
I long to roam
Through your fields again, my love
Forever
Ooooh (x2)

I feel like, i'm falling
I'm falling, for you
Forever

From head to toe
I'm infected by your love
Inch by inch
I'm chemically changed
