

# Turner Core, Don't Go

Do you feel like you're alone tonight?  
The cold wind whispers your name.  
Do you mind, even for a little while  
If things always stay the same?

And come on dear don't go away!  
You know I won't, anyways,  
And From my heart to yours but yours to mine.  
Don't ever tell me that I'm wasting my time!

""I'm right here, but where are you?  
""I'm right here, but where are you?  
""I'm right here, but where are you?  
""I'm right here, but where are you!?

I've never seen a better night, and  
The wind keeps screaming your name.  
I don't care!  
I'm a guy from the Northwest It's what I do best:  
Sit around and waste my time just thinking of you.

""""I want to stay up real late  
""""Everything's perfect in every way, and I don't want to go home.  
""""I want to stay up real late  
""""Don't forget me and I won't forget you.

""""""Because you complete me!  
""""""Can I complete you?!

""""I want to stay up real late.  
""""Then I won't fall asleep and forget you.  
"""" Talking away: it's never the same. It gets better every time.  
"""" But anyways, isn't it just great!?

""""YEAH!

And come on dear don't go away!  
You know I won't, anyways,  
And From my heart to yours but yours to mine.  
Don't ever tell me that I'm wasting my time!!
