

# Tuuli, Sunshine

You are my sunshine, my only sunshine  
But can you fake it for one more day?  
The point I'm making  
Is yours for taking  
Just get your things and go away

Now you're all alone  
I'm flipping through a magazine  
You think I'm mean  
And you try to avoid  
All the things that make you sad  
Hey I'm glad that you took your sunshine away

The point I'm making  
Is yours for taking  
Can you fake it for one more day?

Now you're all alone  
I'm flipping through a magazine  
You think I'm mean  
And you try to avoid  
All the things that make you sad  
Hey I'm glad that you took your sunshine away

You took your sunshine away  
I don't know what to say  
I don't know what to say  
But.....

I got the lies to make it true  
I lack the patience to see it through  
I was a queen and you were a fool  
It was so nice to swap fluids with you

Now your all alone  
I'm flipping through a magazine  
You think I'm mean  
And you try to avoid  
All the things that make you sad  
Hey I'm glad that you took your sunshine away  
Sunshine away, away, away
