

TV On The Radio, Mister Grieves

Hope everything is alright

What's that floatin' the water
Oh Neptune love's only daughter.
I believe in Mr. Grieves
Pray for a man in the middle
One that talks like doolittle
I believe in Mr. Grieves
Do you have another opinion?
Do you have another opinion?

La la la la
La la la la
La la la la
La la la la

You can cry you can moan
But can you swing from a crude rope.
Oh I believe in Mr. Grieves
Hope everything is alright
Hope everything is alright
