

# Tweet, Could It Be

(Verse 1:)

Started out a boy that didn't know the game  
For so many years I remained same  
Use to be a love maker, heart breaker, major part player.  
Never thought that my heart ever change.  
Since then I have grown to know this much.  
What it really means to fall in love.  
But I dont know how I know I just know  
baby you're the one 4 me

(Chorus:)

Could it be (could it be)  
That I'm falling in love with you  
Tried of the same old thing and playing all same old games  
and if I could trade one thing all in the exchange 4 you  
Boy I give anything (anything)

(Verse 2:)

As a lil girl I was taught I was trained  
Never trust in a man  
cause they all remain the same  
But you came alone

and you brought out a lil woman in me  
And it's all in the things you do yea  
Never thought I be there with thoughts of loving you  
But I claim it and name it  
Baby your the reason I want a love brand new

(Chorus:)

Could it be (could it be)  
That I'm falling in love with you  
Tried of the same old thing and playing all same old games  
and if I could trade one thing all in the exchange 4 you  
Girl I give anything (anything)

(Bridge:)

See I never had someone to hold me quit this close  
And out of everyone of everyone I ever wanted  
seems like I want you the most  
Cant deny you got me so high I cant come down

(Chorus)
