

Tweet, Heaven

Vs. 1:

The rain is gone, I feel the wind,
The brightest stars are shining in,
A new life for love has come through.....

Wish I had the words to describe
how rich it feels, I'm so alive,
Let me tell you what I've gained since leavin' you....

Chorus:

(Feels just like heaven...)
And a sunny day,
(Definitely, heaven..)
And a sunny day,
(Feels just like heaven...)
And a sunny day,
(Basically heaven...)
And a sunny day.....

Vs. 2:

No more breathin' down my back,
Not too sure of how to act,
or even waitin' for you to say
"I Love You" (I love you...)

I'll kiss myself, and say a prayer,
and fill the void you left
when you were here,

Lovin' me means more than losing you.....

Chorus:

(Feels just like heaven...)(Heaven)
And a sunny day,
(Definitely, heaven..)(Heaven)
And a sunny day,
(Feels just like heaven...)(Heaven)
And a sunny day,
(Basically heaven...)(Heaven)
And a sunny day.....
(repeat)

(Oh, I'm in heaven)I remember the day, can't forget the hour you left(Oh, I'm in heaven)

(Oh, I'm in heaven)I remember the day, can't forget the hour you left(Oh, I'm in heaven)

Feels just like heaven...(Heaven)
Definitely, heaven..(Heaven)
Feels just like heaven...(Heaven)
(Oh, I'm in heaven)
Basically heaven...(Heaven)
(sunny day)
Feels just like...
(Oh, I'm in heaven)
Definitely....(Oh, I'm in heaven)
Feels just like Hea-ven.....(mmm)
