

Tweet, Make Your Move

The way you are
makes me feel so good...

Tell me what your name is
damn you should be famous
and I can barely take it
could this be what faith is
'cause I've seen you more than twice
damn you're my delight
can I get your number,
satisfy my wonder
baby use what you got
Bring it

Baby make your move
is all new, is alright
is alright,so baby
use what you got.

Baby make your move
is all new, is alright
is alright,so baby
use what you got.

Tell me what's your sign
damn you must be fine
and it could be one minute
but I won't waste your time
give me just one night
damn you're my delight
I love for u to love me
Baby,satisfy my curiosity
and use what you got

Bring it

Baby make your move
is all new, is alright
is alright,so baby
use what you got.

Baby make your move
is all new, is alright
is alright,so baby
use what you got.

It's just the way
the way you are, and
you move, is so
good to me
so baby, you make me
feel so good.

Baby make your move
is all new, is alright
is alright,so baby
use what you got.

Baby make your move
is all new, is alright
is alright,so baby
use what you got.

The way you are
