

Tweet, My Man

The One Thing Me and Ur Ex-girl Have in Common Baby
We Share the Same Love for the Same Ol' Man
And I'm the Only Girl, the Only Girl, Listen
So How Does She Feel
She Can Come Around (Come Around)
Calling You (Calling You)
Like It's All Good
Violating What I Worked So Hard for
Listen It's Not Really a Game
When it Comes to the Level of Respecting Me
And must I Say this No More

He's My Man, My Turf
That's Why I Come First
Loves Me and Appreciates My Work
Through the Good and Bad
Happy and the Sad
Through All the Hard Times
This True Love You Find

He's My Man, My Turf
That's Why I Come First
Loves Me and Appreciates My Work
Through the Good and Bad
Happy and the Sad
Through All the Hard Times
This True Love You Find

I, I Give You Reason to Claim Your Love
Because She Needs to Know Where You Stand
And I Don't Mean to Talk about this Relationship
But I Think Your ex Has a Plan
To Come Around (Come Around)
Tryin to Take You
From Me
Violating What I've Worked So Hard for
And It's a Shame I must Repeat Myself
And I'm Not Gonna Say it No More

He's My Man, My Turf
That's Why I Come First
Loves Me and Appreciates My Work
Through the Good and Bad
Happy and the Sad
Through All the Hard Times
This True Love You Find

He's My Man, My Turf
That's Why I Come First
Loves Me and Appreciates My Work
Through the Good and Bad
Happy and the Sad
Through All the Hard Times
This True Love You Find

Let Him Go, Let Him Go
Let Him Go, Let Him Go, Let Him Go

He's My Man
My Man (My Turf)
My Turf (Yeah)
His Love
I'm First (You Gotta Let Him Go)

My Heart
His Love (Take My Heart)
My Man

My Man
My Man (Yeah)
My Turf
His Love
I'm First
My Heart (Yeah)
His Love (His Love)
My Man
