

# Tweet, Steer

Why'd You Lead Me on  
Where Did We Go Wrong  
Same Sad Song  
Why'd You St-st-st-st-steer Me Wrong

Puttin Crazy Thoughts in My Head  
Put-put-put-put-puttin Crazy Thoughts in My Head  
Puttin Crazy-crazy, Crazy Thoughts in My Head  
Put-put-puttin-put-puttin Crazy Thoughts in My Head

I Remember What You Said, When You Were Layin My Bed  
Believein Every Word You Said, Puttin Crazy Thoughts in My Head  
You Painted a Picture, So Sweet I Can Taste (Uh-huh)  
Lies Undetected, Not Even a Trace

Why'd You Steer Me Wrong, Kept Me Holding on  
When You Were Already Gone, Already Gone  
Why'd You Lead Me on  
Where Did We Go Wrong  
Same Sad Song  
Why'd You Steer Me Wrong

Make Me Believe, Figure That You'd Never Leave  
Now You Got Me, Thinkin Twice  
When You Wanna, You Wanna Spend the Night Baby  
Now If a Man, Only Has His Word  
Then You Would Be Speechless (Uh-huh)  
So You Can Understand Why I Don't Understand

Why You Steer Me Wrong, Kept Me Holding on

When You Were Already Gone, Already Gone  
Why'd You Lead Me on  
Where Did We Go Wrong  
Same Sad Song  
Why'd You Steer Me Wrong

You Performed a Charade, Yes You Did  
Luke warm, again you played with me  
From day one I stayed  
I thought you cared for me  
And I'm Still Wondering Why

You Performed a Charade, Yes You Did  
Luke Warm, Again You Played with Me  
They Won the Stakes  
I Thought You Care for Me  
And I'm Still Wondering Why

Why You Steer Me Wrong, Kept Me Holding on  
When You Were Already Gone, Already Gone  
Why'd You Lead Me on  
Where Did We Go Wrong  
Same Sad Song  
Why'd You Steer Me Wrong

Why'd You Steer Me Wrong  
Where Did We Go Wrong  
Yeah
