

Twice Born, Punk Rock Paul

Paul came back from his senior trip with a 14-gauge running through his lip
Boy, what's your mommy going to say now?
Paul's mom said, 'Why'd you do that?! What were you thinking when you did that?!'
Paul said, 'I'M A PUNK ROCKER!'
Mommy, I'm punk rock now!

Some want to judge him for the ring in his lip
But the ones that judge him are probably hypocrites (anyway)
But his heart for God is still the same
This life he lives for Christ will never be in vain.

Punk Rock Paul
Mommy, I'm punk rock now!
