

Twila Paris, I Am Ready

Verse I

I am ready to be
All You've given me to be
Lord
I offer You my pride
Lay it down
Where I have been bound
Father come and set me free

Verse II

I am ready to be
All You've given me to be
Lord
I offer You my life
Lay it down
Where I have been bound
Father come and set me free
I am ready now to be
Finally
