

Twila Paris, I Am Ready

Verse I

I am ready to be

All You've given me to be

Lord

I offer You my pride

Lay it down

Where I have been bound

Father come and set me free

Verse II

I am ready to be

All You've given me to be

Lord

I offer You my life

Lay it down

Where I have been bound

Father come and set me free

I am ready now to be

Finally
