

# Twila Paris, Let Them Praise

The kingdom of God shall have no end  
A kingdom of love that is build in our hearts  
And not by our hands  
The kingdom of God shall have no end  
This shining  
magnificent glorious kingdom  
Forever shall stand  
Thine is the kingdom  
Thine is the power  
Thine is the glory forever  
Thine is the kingdom  
Thine is the power  
Thine is the glory forever  
The kingdom of God forever shall stand  
The kingdom of God forever amen  
The kingdom of God
