

Twila Paris, Nothing But Love

Verse I

Lord

Your name is above any other name

And forever will remain

So let the words of my mouth

And the thoughts in my mouth

Let them praise Your name

Verse II

Lord

Your throne is above any other throne

And forever will remain

So let the young and the old

Let the high and the low

Let them praise

let them praise

Let them praise Your name

Verse III

Lord

your love is above any other love

And forever will remain

So let us go with Your Word

To the ends of the earth

And let them praise

let them praise

Let them praise Your name
