

# Twin-A, Suicide Dream

Factor me  
Into the equation  
I could be  
Part of the solution  
You and I  
We are only divided by one  
I gave my best to you

You admit  
That you can't live with out me  
I'll admit that's what I'm dying to hear  
You permit me  
To treat you like a goddess then I would  
I did my best for you.

And I do not want to wake  
Wake up from this sleep  
Just like a suicide dream.

Now that you've gotten  
Everything that you wanted  
It seems that you don't really want me that bad.  
Now that I gave you  
Everything that you wanted I want it back  
Cause I gave my best to you  
And I, I did my best for you.

And I do not want to wake  
Wake up from this sleep  
Just like a suicide dream.

Once you've gotten her affection  
There's no where you can go but down.  
Now I've gotten her affection  
There's no else where I can go but down.

Cause I  
Did my best for you  
What else more can I do.  
I tried and tried and tried  
But I'm not good enough for you

And I do not want to wake  
Wake up from this sleep  
Just like a suicide dream.

My sweetest suicide, baby  
My suicide dream.  
Suicide dream  
My silly little dream.
