

# Twin Shadow, To the top

Oh, I know it's not the right time tonight  
But I won't move until this stops  
Go back to the top  
Back to the top

You will never belong to me  
Now I can see the light  
That you are  
Never good at controlling me  
Now I can see the light shine, oh  
And I know  
I know it was blinding you

Say: life can be long  
Wanna know  
Wanna know  
Wanna know  
Wanna know  
It's true  
When you say  
You gotta make me believe you

Oh, I know it's not the right time tonight  
But I won't move until this stops  
Go back to the top  
Back to the top

I'm not scared if you run to me  
Lost like when you were mine  
And you can take what you want from me  
Just offer me your time

Stay, life can be long  
Wanna know  
Wanna know  
Wanna know  
Wanna know  
It's true  
When you say  
I want you around  
You gotta make me believe you

Oh, I know it's not the right time tonight  
But I won't move until this stops  
Go back to the top  
Back to the top
