

Twisted Method, Change Me

You can't accept me for who I am
I try so hard to get you to understand
I don't know if I can take this pain anymore
cause my heart has been torn

What did I do to be treated this way?
You keep beating me down, but I still ask you to stay
And I know that I want to be myself
But you want me to be someone else

It's just the same thing, same thing
How you try to change me, change me
So tell me what you want from me
Why can't you let me be?

I just can't go on taking all this abuse
No matter what I do, it's never enough for you
And I know that I'm disgusted by the way that you think of me
You make me do things that I don't want to do
And you don't give a damn about what you put me through
And I know you need to face the truth that I'm not like you

It's just the same thing, same thing
How you try to change me, change me
So tell me what you want from me
Why can't you let me be?

It's just the same thing, same thing
How you try to change me, change me
So tell me what you want from me
Why can't you let me be?

A'ma do what I wanna do, not what you tell me to
You say you're looking out for me-well, thats a sad excuse!
Drop the attitude because I've been abused
You keep playin with me to see what i do
What do you get out of messin' with me
because am just tryin to do my own thing
but still you try to take everything I got and it JUST WONT STOP !

So tell me what you wanted from me
Or what's the reason that you won't let me be
I keep telling you again and again
No one can change me because of WHO I AM!!!

It's just the same thing, same thing
How you try to change me, change me
So tell me what you want from me
Why can't you let me be?

It's just the same thing, same thing
How you try to change me, change me
So tell me what you want from me
Why can't you let me be?

Same thing, Same thing
