Twisted sister

Twisted sister  
Come out and play

Are you afraid  
Of things that go bump in the night?  
Behind closet doors  
Of things when you turn out the light  
Don't be afraid of the night  
There's a light in the dark burning bright  
Don't be afraid  
Don't be afraid  
Don't be afraid  
Of the light

Come inside our world  
An oyster 'round a pearl  
You'll all be safe inside  
A perfect place to hide, you'll see  
Fun by decree  
Ride above the storm  
The average and the norm  
A new found ecstasy  
A wild fantasy come true  
This one's for you  
Oh, welcome to our show  
Oh, welcome to our life  
Just follow me and you'll set yourself free  
Now won't you come out and play

Come out and play  
Come on out and play  
Come out and play  
Come on out and play  
Come out and play  
Come on out and play  
Come out and play  
Come on out and play

Join our cavalcade  
Enter the world you made  
We're only here for you  
To do what you won't do, you know  
On with the show  
A place where fallacy  
Becomes reality  
We'll spin you head around  
We're programmed to astound, stand by  
Prepare to fly  
Oh, welcome to our show  
Oh, welcome to our life  
Just follow me and you'll think that you're free  
Now won't you come out and play

Come out and play  
Come on out and play  
Come out and play  
Come on out and play  
Come out and play

Come on out and play  
Come out and play  
Come on out and play

Come out and play  
Come on out and play  
Come out and play
