

# Two Door Cinema Club, Handshake

So what became of loving man  
And what became of you?  
Familiar as you shook my hand  
What was it you meant to do?  
Because all could change for one  
And all, can change in this new day

She said the devil will want you back  
And you'll never find love in an open hand  
Shut your eyes, so you see under  
And know you'll always have this if you stay this man

She said the devil will want you back  
And you'll never find love in an open hand  
Shut your eyes, so you see under  
And know you'll always have this if you stay this man

I lie, this was not for my pride  
I know this was my time

She said the devil will want you back  
And you'll never find love in an open hand  
Shut your eyes, so you see under  
And know you'll always have this if you stay this man

So when nobody will take you back  
And you'll never find love in an open hand  
Shut your eyes, and you'll see under  
You know you'll always have this if you stay this man
