I FEEL YOUR LOVE REFLECTION
In the eyes that gaze back
Picture the distant
"NEVER-ENDING STORY"

I FEEL YOUR LOVE REFLECTION
Passionately overlaying dreams (ideals)
A youth in which you seek one another
without fearing mistakes!!

I FEEL YOUR LOVE REFLECTION
In the eyes that gaze back
Picture the distant
"NEVER-ENDING STORY"

I relay the overflowing emotions
softly with my skin
As if to hold close
the strength (purity) to be affectionate...

Oh, these turbulently changing times (days)
I want to overcome with ease and dignity

I FEEL YOUR LOVE REFLECTION
The truth that we can trust one another

Once we kiss,
I need nothing more!!

I FEEL YOUR LOVE REFLECTION
Believing in the unrelenting passion
We carry through (fight for) the
"NEVER-ENDING STORY";

I FEEL YOUR LOVE REFLECTION
Passionately overlaying dreams (ideals)
A youth in which you seek one another
without fearing mistakes!!

I FEEL YOUR LOVE REFLECTION
In the eyes that gaze back
Picture the distant
"NEVER-ENDING STORY";
