

# Two Tongues, Silly Game

Where did she go?  
Where did she go?  
Where did she go?  
Where did she go?  
I play a silly game where I'm dressed up in drag  
Wasted, smoking a fag  
In clothes and a bag  
And I'm forgetting you  
When she went away  
You stayed here  
Stop waiting for her to change  
When she went away  
When she went away  
Here in her room  
Here in her room  
Here in her room  
Here in her room  
I play a silly game where reflection is her  
She lovingly purrs  
?, but it won't occur  
She's so far away  
Will you stay away with me?  
Last night I could see it there in your eyes  
How she killed you inside  
It was in your eyes  
It was in your eyes  
It was in your eyes  
Where did she go?  
Where did she go?  
Oh no  
Where did she go?  
Where did she go?
