

Ty Herndon, New York Second

Love came along in a New York second

She was just a girl running from the city
I was just a farm boy looking for a good time
neither one of us was out to fall in love
she was getting gas at Thompson's station
I was buying parts for the old man's tractor
when she looked at me
I knew it was more than love

we talked
and she smiled
and I swear that it drove me half wild

CHORUS

Love came along in a New York second
just the way it's meant to be I reckon
felt so good, it just keeps getting better
all the time she's with me
love came along in a small town minute

Texas sky ain't got no limit
ever since her sweet love came alive

She was on her way up to Colorado
stopped to see a friend down in Georgia
somehow our lives take their twists and turns
she asked me how to get to the local diner
I said "I'll tell you if you let me join ya"
she said "fine"
and love began to burn

and we laughed
and she smiled
and I swear that it drove me half wild

CHORUS
