

# Tye Tribbett & GA, Can't Live

Everytime I wake up in the morning God is there  
In the sun or even if it's storming God is there  
Even in a crowd or if I'm all alone he's still there...still there  
There's no place he'll let me go without him cause he's everywhere

& I can't live without you  
I can't live  
I can't live without you  
I can't live  
I can't live without you  
I can't live  
I can't live without you  
I can't live  
I can't live

When I'm way up on the mountaintop God is there  
& yes when I'm low low low low  
Way done in the vally he's still there

I'm grateful for the love you give to me  
You've always been there in my time of need

I can't live without you  
I can't live  
I can't live without you  
I can't live  
I can't live without you  
I can't live  
I can't live without you  
I can't live  
I can't live

Do you remember when your heart was in two  
He was right there just to hold you  
Are you grateful  
Come on are you grateful  
Well I remember when my bills were too late & somehow God made a way  
I'm grateful he didn't have to do it but I'm grateful  
He didn't have to do it but I'm grateful

I'm grateful for the love you give to me  
You've always been there in my time of need

I can't live without you  
I can't live  
I can't live without you  
I can't live  
I can't live without you  
I can't live  
I can't live without you  
I can't live  
I can't live without you  
I can't live  
I can't live without you  
I can't live  
I can't live without you  
I can't live  
I can't live

I can't eat  
I can't sleep  
i can't move  
I can't breathe

i can't walk  
I...I can't talk  
I can't think  
I'm too weak

I can't eat  
I can't sleep  
i can't move  
I can't breathe  
i can't walk  
I...I can't talk  
I can't think  
I'm too weak
