Tyga, Eyes Closed

Yeah I know how to count it I can count it with my eyes closed Yeah I know how to count it I can count it with my eyes closed

Gotta see you bounce it So bounce with the lights on It's you that my eyes on I can count it with my eyes closed Yo use I;m in my zone See you hoe through a blindfold I;m serious about tripping My niggas, we know that them rhinestones U know this shit that I;m on Getting this money u count it I can count it with my eyes closed I can hold it and I know it
