

# Tyga, Haute (ft. J Balvin, Chris Brown)

i been up 4 days  
having 3 ways  
like my bitches in twos  
I'm the one man  
tryna jump in my lane  
i am in the air, man  
make her fall in love  
she gon' want the last name  
I am a gigant to this niggaz  
(...?...)  
i know you wanna fuck rappers  
you a rap fan  
(...?...)  
like a Pac man  
I get it  
you got bands  
make your own money  
a niggaz spend his whole advance  
if I hit once  
they know I can hit it again  
t-shirt and your panties on, baby  
you know what it is

I make it haute  
I make it haute  
Don't stop  
pop pop  
make it haute  
Don't stop  
pop pop  
make it haute

[J Balvin]  
(...?...)

I make it haute  
I make it haute  
Don't stop  
pop pop  
make it haute  
Don't stop  
pop pop  
make it haute

you can blow my cover  
baby  
you can make me pull it up  
put my hands in your hands
