Tyler James, Your Woman

Just tell me what you've got to say to me I've been waiting for so long to hear the truth It comes as no surprise at all you see So cut the crap and tell me that we're through

Now I know your heart, I know your mind You don't even know you're bein' unkind So much for all your highbrow Marxist ways Just use me up and then you walk away Why do you play me this way

Well I guess what you say is true I could never be the right kind of girl for you

CHORUS:

I could never be your woman I could never be your woman I could never be your woman I could never be your woman

When I saw my best friend yesterday She said she never liked you from the start Well me, I wish that I could claim the same But you always knew you held my heart

And you're such a charming, handsome man Now I think I finally understand Is it in your genes? I don't know But I'll soon find out, that's for sure Why did you play me this way

Well I guess what you say is true I could never be the right kind of girl for you

(CHORUS)

Well I guess what they say is true I could never spend my life with a man like you
