

Tyler Kyte, Sarah

And if you sent a
Raid out, a raid on me,
Well tell me that it takes two,
To come in secretly,
And take em out
And end all end all to be,
Well tell me are you waiting
For someone like me?
The honest truth is it is me,
Oh Sarah dont you know?
That theres something,
Theres something to being alone
Oh Sarah dont you go,
Cause Im nothing
Im nothing on my own.
And if you sent a raid out,
A raid on me
Well tell me that it takes
Two to come and rescue me
Mmmm
You can takes it on the road,
Toy can take it over high,
You could bring it down,
To make it on your own,
Youve been takin it hard,
You should take it slow.
The honest truth is it is me,
Oh Sarah dont you know?
That theres something,
Theres something to being alone
Oh Sarah dont you go,
Cause Im nothing
Im nothing on my own.
Im nothing on my own!
And oh Sarah, whered you go? x 3
Mmmm Sarah, whered you go?
Cause Im nothing,
Im nothing on my own.
And dont you know,
That theres something,
Theres something to being alone?
Cause Im nothing,
Im nothing on my own.
