

Tyler Kyte, The breakdown

It's out to get me
And it's all in my head
It wants to take me
Time to put me to bed
Can someone wake me
Against my own will
And get me out of here
I'm sick of walking on pills
I've got a weakness
So tell me where is the bliss
Can someone shake me
And get me out of this fix
All the white walls
Are closing up tight
I need to know
If I can get through the night
It won't let me
Everybody's out to get me
Tell me that the lines are what they seem
Oh, that the heaven swings on a dream
Oh, will it ever let go
Oh, oh no, it's a breakdown
Oh, oh no, it's a breakdown
The Breakdown
Oh, oh no, it's a breakdown
All the vampires
Are out on the look
Do they see me
How long will it take
To chase the monster
That's still in my head
It's on the sea
And it needs to be fed
I have the witness
To what has been done
It sorta had me
And I think it has won
Tell me that the lines are what they seem
Oh, that the heaven swings on a dream
Oh, will it ever let go
Oh, oh no, it's a breakdown
Oh, oh no, it's a breakdown
Oh, oh no, it's a breakdown
Oh break it down, break it down, and what you really want
All I've done today breakdown
Oh outta the way it's all a frown
Oh still again sit down
Oh I've done it again breakdown
Oh I've done it today breakdown
Oh outta the way it's all a frown
It won't let me
Everybody's out to get me
Tell me that the lines are what they seem
Oh, that the heaven swings on a dream
Oh, will it ever let go
Oh, oh no, it's a breakdown
Oh, oh no, it's a breakdown
Oh, oh no, it's a breakdown.
