

Tyler Terry, Quietly

I sing this very quietly because I'm
I'm sick of being heard
Sometimes I wonder why I choose to sing out loud
My feelings when they hurt
Don't try to find the truth in me, 'cause honestly
The truth was lost in words, their words
And I don't know where to begin
I've been thinking that I probably shouldn't hold it all in
Yeah, I only wanted you to know, oh
So I'll tell you a secret
For you and I alone
You're the sweetest Sarah that I know
And I'll tell you I'll mean it
But I'm all out of show
And if I ever went, I'd hope you'd go
It's hard to find the words for love
When you know enough to scare yourself away
But I always write a word or two
Everytime I look at you It's so hard to look away
And I don't know where to begin
I've been thinking that I probably shouldn't hold it all in
Yeah, I only wanted you to know, oh
So I'll tell you a secret
For you and I alone
You're the sweetest Sarah that I know
And I'll tell you I'll mean it
But I'm all out of show
And if I ever went, I'd hope you'd go
And I don't wanna get way to close
But I have yet to find and antidote for those eyes
Shake those hips
And the way you press those lips against me when you're
Holding me closely, never knowing when to let go
I'm holding you closely, I don't know if I'll ever let go
So I'll tell you a secret
For you and I alone
You're the sweetest Sarah that I know
And I'll tell you I'll mean it
But I'm all out of show
And if I ever left, baby
If I ever leave, maybe
If I ever went, I hope you'd go
