

Type O Negative, Love You To Death

[Edit - taken from the European single Love You To Death, 1996]
[Full length version can be found on the album October Rust]

In her place one hundred candles burning - as salty sweat drips
from her breast
her hips move and i can feel what they're saying - swaying
they say the beast inside of me is gonna get ya - get ya get -
yeah

Black lipstick stains - her glass of red wine - i am your servant
may i light your cigarette
those lips smooth yeah i can feel what you're saying - praying
they say the beast inside of me is gonna get ya - get ya get -
yeah

I beg to serve - your wish is my law
now close those eyes - and let me love you to death
shall i prove - i mean what i'm saying - begging
i say the beast inside of me is gonna get ya - get ya get

Ahhhh - let me love you - to - ahhhh - let me love you - to -
death - to death

Ahhhh - let me love you - to - ahhhh - let me love you - to -
death - to death

Hey am i good enough - for you
am i good enough - for you
am i - am i for you - am i - for you
am i good enough - for you
