

# Tyrannosaurus Rex, Hang-Ups

Play in a loud cloud

When I'm down you bring me up, babe  
When I'm up you bring me down  
When I'm down you bring me up, babe  
When I'm up you bring me down  
I'm such a contradiction - I'm just hung-up

Get off my back and leave me  
Oh shit, let's get it on  
Get off my back and leave me  
Oh shit, let's get it on  
I'm such a contradiction - I'm just hung-up

I'm such a contradiction - I'm just hung-up  
Everything is sweet babe  
Then everything is the pits  
Everything is sweet babe

Then everything is the pits  
You love me then you leave me  
How come you always pick the hits?
