

Tyrannosaurus Rex, Jasmine '49

Jasmine 49 baby, is a number that ain't mine
Drinking scented tea with somebody on your knee
and that somebody ain't me, no
Jasmine 49 is a number that is fine
Jasmine 49 baby, is a number that ain't mine
And don't let it ever be said
That I'm crazy in the head
From drinking scented tea with nobody else but me, and
Jasmine 42 is a number I gave to you
Jasmine 43 babe is a number you gave to me

Jasmine 49 baby, is a buzz that's so divine
And I can't think of anybody less inclined
To go out and blow their mind and realize everything
That they do and fantasize everything that's true
Jasmine 49 baby, is a buzz that's so d-d-d-divine

Jasine 49 babe, is a buzz that just ain't mine.
